WORK EXPERIENCE

FRONT END DEVELOPER (VIZADI)   04/2018 - 04/2020

Worked as a Front-End Developer for two years, creating responsive and interactive user interfaces for five projects. Utilized technologies like HTML, CSS, JavaScript, React.js, Next.js, Bootstrap, and SASS to enhance user experiences. Collaborated with development teams to integrate front-end with back-end systems. Improved project performance by delivering optimized, cross-platform code.

FULL STACK DEVELOPER (MRM ADVERTISING)   05/2020 - 12/2022

Worked at MRM Advertising in Dubai for 2.5 years as a Full Stack Developer, handling end-to-end website development and maintenance. Ensured SEO compliance to improve search rankings, conducted testing for performance and responsiveness, and delivered multiple responsive, high-performance websites into production.

SENIOR FULL STACK DEVELOPER (SVEASOFT)   01/2023 - 01/2024

Worked at SveaSoft as a Full Stack Developer, building two system websites: a shipping platform akin to Sendify and an E-commerce platform. Managed both front-end and back-end development, focusing on high performance. Overcame challenges during implementation, resulting in successful and exceptional projects.

SENIOR FRONT END DEVELOPER (JOE13)   07/2024 - Present

Worked at JOE 13 as a Senior Front-End Developer, designing and developing high-quality user interfaces. Ensured responsive and seamless user experiences while optimizing performance and compatibility across devices and platforms.
